PROCESS

Families will be encouraged to register their interest to enrol their child(ren) at Yankalilla Community Children's Centre (YCCC) preschool by the end of July in the year prior to the child being eligible to commence preschool. From the beginning of August, enrolment offers will be made to families residing in our preschool's designated geographic catchment area in accordance with our overarching priority of access guidelines, and up to our staffing allocation and enrolment cap.

The Director is required to notify their early childhood leader of the status of their preschool's enrolments by the end of week 5, term 3. After consultation with the early childhood leader, the Director (if approved) may commence offering second round enrolment offers for any unplaced children and children residing outside of our designated geographic catchment area from the beginning of September.

When the demand for places exceeds our staffing allocation and enrolment cap the following will apply:

Preschool Priority of access guidelines

Priority 1: eligible children whose primary residence is within the catchment area of the preschool.

Priority 2: eligible children who have regularly attended our childcare program

Priority 3: eligible children whose siblings have attended our preschool program

Priority 4: eligible children who will be attending Yankalilla Area School

Priority 5: eligible children whose parents/guardians work within our catchment area

Note: To accommodate all eligible preschool children, DECD may amend our preschool staffing and enrolment cap and/or some children who reside outside of our catchment area may be directed to enrol at a preschool with-in the catchment area of their primary residence.
