

YANKALILLA COMMUNITY CHILDREN'S CENTRE

INJURY MANAGEMENT POLICY & INCIDENT REPORTING AND INVESTIGATION PROCEDURE.

Yankalilla community Children's Centre (YCCC) is committed to the effective management of work related injuries and the provision of appropriate support and assistance to injured workers to ensure legislative compliance with the *Return to Work Act 2014* and associated regulations.

Every effort is made to prevent injuries however should an injury occur, the staff will take appropriate first aid action. All permanent, YCCC educators will hold a current approved First Aid Qualification, Anaphylaxis Training and Emergency Asthma Management Training.

The Yankalilla Community Children's Centre will abide by the Department for Education (DFE) Injury Management Policy (2020) and Reporting Critical Incidents and Injuries Procedure (2021). The purpose of the policy and procedure is to provide processes for the timely response and management of:

- Injury incidents which occur at YCCC
- Statutory reporting requirements of serious and notifiable incidents to various regulatory authorities.
- Ensuring effective and respectful rehabilitation and claims management services for injured workers.

Notifiable Incidents

Serious incidents need to be reported to SafeWork SA 1800 777 209 and/or the Education and Early Childhood Services Registration and Standards board (EECSRSB) and the Australian Government Department of Education within **24 hours of the incident.**

Incidents other than serious incidents are to be notified to the EECSRSB with-in **7 days.**

Notifiable incidents for SafeWork SA are defined on page 7 of the (DFE) Reporting critical incidents and injury procedure (2021)

Notifiable incidents for EECSRSB are defined on page 6-7 of the (DFE) Reporting critical incidents and injury procedure (2021)

Medical Fees and Ambulance Cover

Parents are responsible for any medical fees or other costs which may arise from medical treatment. Ambulance costs are primarily the responsibility of parents. YCCC has a SA Ambulance subscription however, parents whose children have a known condition ie Anaphylaxis, Asthma, Diabetes etc are encouraged to have their own ambulance cover as they are NOT covered by the YCCC SA Ambulance subscription.

Families of children enrolled in our DFE preschool program (who do not private cover and the ambulance is not for a known condition) can make a request for payment by following the process outlined in the Insurance and Claim Management (2018).

INJURY REPORTING AND INVESTIGATION PROCEDURES:

CHILD INJURY:

Staff will:

- Complete an accident report form as soon as possible after any accident, injury or illness.
- Inform parents of all injuries to the head, face or mouth as soon as possible.
- Contact parents if their child has an accident or sustains an injury that requires further action beyond immediate first aid.
- Ensure all accident/injury/illness forms are read, signed and dated by the child's parent/guardian as soon as possible.
- Arrange for ambulance attendance: if staff decide emergency treatment is necessary and the guardian or the nominated emergency contact cannot be contacted or if staff believe that waiting for parent/emergency contact arrival could jeopardize the child's safety.

- Remain with the child until the child recovers or either the guardian, a person authorized by the guardian, or an emergency contact arrives.
- Contact the Centre Director in all cases of serious injury

The Director will:

Ensure that injury incidents are properly reported, classified, investigated and resolved in accordance with the DFE Reporting Critical Incidents and Injuries Procedure (2021).

A brief summary is as follows:
